PROCESSES

Vegetables and mushrooms processing

Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. A certification operation must annually request the continuation of its certification by following the section 205.406 of the NOP.

The authenticity and validity of this document can be verified on www.ecocert.com.

Issued in L'ISLE JOURDAIN

On: 26 July 2017

Renewal due date:

(when the certified operation must submit its annual update)

1st November 2017
